And What Have You

By BOB CRAIG

In talking to the high school civics class here Monday morning on the subject of public opinion the subject of the recent UFO sightings came up. These sightings seem to run in cycles and the thought occurred to me that since this current rash of sightings have come at the time our country is in a turmoil over Watergate, the tapes, and the vice president's resignation, I wonder if previous sightings have come at other such turbulent times.

This might make a good research project for some energetic reporter who has access to back files of a daily newspaper.

It shouldn't, but it may come as a surprise to many of you that Texans will be going to the polls Tuesday to vote on nine amendments to our already patched up state constitution. It is always hard to get a turn out for these off year amendment elections and we doubt that this year will be any different.

In a way, it seems a little pointless to be voting on amendments to our present constitution when people are currently hard at work trying to come up with a new one. But there are probably at least two reasons for calling for this vote at this time.

One is the fact that many are not too sure that we will come out with a new constitution next year. It has taken most states several years before the voters have given their approval to the new constitution. This way these matters will be taken care of without having to wait and see what happens next year.

The other reason is it seems to be the hope of some that the vote on some of these amendments will influence the outcome of parts of the new constitution. This is particularly true concerning amendment one

One Voting Box Here For Election Tuesday

Only one election box will be open for Tuesday's General Election for the Hamlin area. All voters from Tuxedo, Neinda and Hamlin will vote at the Hamlin City Hall, according to A. B. Carlton, election judge. Polls will open at 8 a.m. and close at 7 p.m.

The issues on the ballot during this off year's election will be nine Amendments to the Texas Constitution.

These amendments (as they will appear on the ballot) are: Amendment No. 1. Amending Article III, Section 5, 24, and 49a, and Article VIII, Section 6, of the Texas Constitution, as amended, to provide for annual regular sessions of the legislature, and to provide an annual salary and per diem for the members of the legislature.

Amendment No. 2. Amending Article XVI, Section 50 and 51, of the Texas Constitution, to include within the scope of homestead protection the real property of a single adult person which meets the other requirements of homestead property, and to provide that a family homestead may not be abandoned except with the consent of both spouses.

Amendment No. 3. Amending Article VIII, Sections 1-a and 1-b, of the Texas Constitution, to extend the \$3,000 ad valorem tax exemption to the homesteads of unmarried adults.

Amendments No. 4 Amending Article XVI, Section 59, of the Texas Constitution, establishing certain requirements relative to the enactment of laws creating certain conservation and reclamation districts.

Amendment No. 5. Amending Section 7, Article XI, of the Constitution of the State of Texas; amending Section 7 to provide that certain counties and cities bordering on the Gulf

of Mexico may levy a tax to pay for bonds issued for the construction of sea walls and breakwaters upon the vote of the majority of the resident property taxpayers voting in an election.

Amendment No. 6. Proposing a constitutional amendment stating that the district court concurrently with the county court shall have the general jurisdiction of a probate court, and providing the jurisdiction thereof, and further providing that in any probate proceeding the district court shall also have jurisdiction otherwise conferred upon it by law, and further providing that the legislature may increase, diminish or eliminate the jurisdiction of the district court or county court in probate matters, and further providing that the legislature shall have power to adopt rules governing the filing, distribution and transfer of all such cases and proceedings as between district courts, county courts, and other courts having jurisdiction thereof, and further providing that the legislature may provide that all appeals in such mat-

Louis Stinnett Retires As Patrolman After 15 Years

Louis C. Stinnett, patrolman with the Hamlin Police Department for the past 15 years, retired from the force at the end of October.

Stinnett, a former owner of a grocery store and farmer at Radium, came to the area in 1940 from Anson.

He joined the local department Nov. 15, 1958.

He is a native of Comanche. He married Verna E. Russell in Anson July 14, 1933. She died in May, 1970.

He and Mrs. N. L. (Mildred) Crowley were married Apr. 24, 1971.

He said that he has made no immediate plans for retirement but he and his wife hope to do some traveling.

He has four married children. Mrs. Todd (Letha Janell) Roberts of Bullhead City, Ariz., Mrs. Durwood (Nancy Ann) Mayfield of Fort Worth, Jim Russell Stinnett, a certified policeman at Lake Worth, and Louis Carroll Stinnett Jr., a journeyman machinist at Herman's Machine Shop in Abilene.

Jerry Farnsworth, who recently completed 240 hours for basic police certification, has been hired to succeed Stinnett, according to Police Chief Ed Wheat. He joined the department in September.

He is a 1968 graduate of Hamlin High School and attended the Texas A & M Extension Course held in Abilene under the auspices of the West Texas Council of Governments.

Pipers to Play Bulldogs In Stamford Friday Night

The Hamlin Pied Pipers will be traveling to Stamford Friday evening to take on their arch rivals, the Stamford Bulldogs. The Pipers will be putting their unblemished record on the line when the ball is kicked off at 7:30.

The Bulldogs, rated as a much improved ball club over last year's team will take a 4-3 record into the contest and are 1-1 in district play. Last Friday while the Pipers were defeating the Haskell Indians, 38-0, the Bulldogs were edging out the Anson Tigers, 12-6. In the other district encounter, Ballinger was handing the Winters Blizzards their second district defeat, 23-0.

Friday, while the Pipers are meeting the Bulldogs in Stamford, Ballinger will be at Anson and Winters will be at Haskell.

In action tonight (Thursday) the local Freshmen will host the Stamford Frosh with the kickoff changed from 5 to 7 p.m.

In their games last week, the local Freshmen defeated Clyde in a thriller, 32-28, and the local

JV's downed the Anson JV's, 27-18.

In compiling their 4-3 records, the Bulldogs hold a 19-6 win over Clyde, a 27-18 win over Jacksboro, a 14-6 win over Quanah, and a 12-6 win over Anson. They lost, 14-13 to Breckenridge, 12-6 to Childress, and 27-20 to Ballinger.

Rotary Club Sets Pre-Game Supper Nov. 9

Members of the Hamlin Rotary Club are selling tickets for the Nov. 9 Spaghetti Supper to be served before the Ballinger-Hamlin football game.

Serving in the high school cafeteria will be from 5:30 to 7 p.m.

Joe Ford is food chairman and Bill Rountree is in charge of ticket sales, according to Richard Young, club president.

Tickets are \$1.50 each. The public is invited.

Bulldogs will be (10) Roland Gonzales, 155-pound quarterback, who does an outstanding job passing and is a good runner; at one halfback position will be (20) Don Earl, 170-pounds, a freshman running back who is shifty, quick and the Bulldog's greatest offensive threat; and at the other half-back slot will be (37) Steven Medford, 175-pounds, who blocks well and does a good job on the option. He also is a good receiver.

At wide receiver will be (11) Gary Collins, 160-pounds, and at split end will be (44) Max Davenport, 160-pounds, who has good moves and a good receiver.

In the line will be (85) Pat Gillespie, 190-pounds, at tight end who is rated as a very good tight end who blocks well and is a good receiver. At tackles will be (68) Brent Bolding, 190-pounds, and (74) Stephen Harrell, 195-pounds; at guards will be (50) Danny Duggan, 195-pounds, and (62) Gordon Hayes, 165-pounds; and at center will be (66) Gary Hobbs, 175-pounds.

The Pipers are expected to be in good shape for Friday's encounter with the Bulldogs with the exception of Steve McKissack who is expected to see only limited action.

Receiving Headhunter awards for their efforts in the Haskell game were Rick Crowley, offense, and Alfred McAfee, defense. The awards are made by the coaching staff and were announced at the Booster Club Monday evening.

Reserve seat tickets for the Stamford game are on sale at the three drug stores.

All Signs Up For One-Way Streets Here

Hamlin Chief of Police Ed Wheat has announced that all signs have been put in place for the one-way traffic streets around the elementary and primary schools.

The one-way traffic operation was put on a trial basis earlier and was recently approved by the City Council.

Chief Wheat said that the one-way traffic would be enforced 24 hours a day.

Car Stolen

A 1962 Ford Falcon belonging to Woodie Scott was stolen Sunday morning from the south parking lot of the Church of Christ, according to the Hamlin Police Department.

RECEIVES APPRECIATION PLAQUE—Mayor Joe E. Ford presents a plaque expressing appreciation for service to Louis C. Stinnett, center, as he retires from the Hamlin Police Department after 15 years as a patrolman. Police Chief Ed Wheat, right also expressed appreciation for Patrolman Stinnett's tenure.

which calls for annual sessions and an increase in pay for the legislators.

I have tried to study the pros and cons of all nine amendments to determine how I plan to vote and will pass along these thoughts for what they may be worth. As is nearly always the case, some of these amendments seem very important to everyone, some to only a selected few and some of them you can only wonder why they are being brought to a vote.

Probably from the standpoint of the whole state, amendment one is likely the most important of the nine. It is the one calling for annual sessions and increased pay for the members of the legislature.

Since we have long advocated both of these issues we strongly urge the support of Amendment One. Those of us who were in Austin earlier this year on the hospital issue became painfully aware of how little time there is in a regular 120-day session to cover all of the matters that need to come before the legislature.

It is not unusual at all for a Representative or a Senator to find he has two or three hearings scheduled at the same time.

And while many people seem to think that \$4,800 is ample salary for parttime work, the work load of our representatives has increased to the point that they cannot be considered part time.

In making your decision on this one try to think of someone in Hamlin that would be willing to spend the time it takes being a Representative for only \$4,800 a year.

Amendments 2 and 3 pertain to single adults and homesteads. At the present time the only ones covered by the homestead act in Texas are families. We believe that single adults probably have as much right to a homestead exemption as do married couples.

FROM THE FILES . . .

FIFTY YEARS AGO
(November 9, 1923)

Monday afternoon, Nov. 12, at 3 p. m., the Hamlin Pied Pipers will clash with the strong Merkel High School squad. The game will be played on the local gridiron and since Hamlin is celebrating the day by closing up shop, there should be a large crowd in attendance. Tuesday of this week the Pipers defeated Rotan by an easy score of 46-0. Give the boys your support, complete satisfaction guaranteed.

One of the best cotton sales for an individual so far reported this season was that made last Friday at Earl Temple. He sold 39 bales at 30 cents. Previous to that he had sold 42 bales. Just a few hours after selling the first batch he could have gotten four or five hundred dollars more. It's not always best to sell too quick and sometimes it is too dangerous to hold.

Judge P. D. Sander, local weather observer, reports the greatest rainfall for the month of October 1923, since the records have been kept, covering a period of about 30 years. All records were broken when the precipitation of 9.49 inches for the month was reached. Below is given a few of the years showing the greatest rainfall during the month of October, during the past 26 years: 1906, 5.78 inches; 1907, 4.25 inches; 1912, 4.21 inches; 1913, 6.57 inches; 1914, 4.53 inches; 1918, 3.76; 1919, 4.89 inches; 1920, 3.48 inches; and 1923, 9.49 inches.

Amendment 4 is one of those that we can take or leave. It pertains to establishing certain requirements relative to the enactment of laws creating certain conservation and reclamation districts. We will probably vote for it but really really don't know why.

Amendment 5 pertains to counties and cities on the Gulf Coast and would give them the right to vote bonds to build sea walls. If they want to vote the bonds it is all right with me.

Amendment 6 is one that we had to consult with a lawyer before knowing what it was all about. It deals with probate and what it would do is make it permissible to go into either County or District Court on a probate matter. Currently, the case must go to County Court first and then to District Court if appealed. Evidently the problem with this is that in some counties the County Judge is not a lawyer and knows practically nothing about probate.

Amendment 7 expands the Veterans' Land Fund with an additional \$100 million in bonds. Since we have veterans back from Vietnam that are probably just as deserving as those who served during World War II, we suspect that this program should be continued.

Amendment 8 is another one of those amendments that we are not too sure of its purpose. As we understand it, it would change how the bonded indebtedness ceiling for cities would be determined. Since it does not affect the people's right to determine if they want to vote bonds we can see no your support for this amendment.

Amendment 9 is one that West Texas is supporting. It would exempt certain water supply corporations from property taxes on their lines and other equipment. Since these are non-profit corporations they do not have to pay income taxes, but are subject to property taxes. The argument for this amendment seems to be basically that they are like municipal water supply systems and should not be taxed. Because this amendment might help some of our rural people have water, we urge your support for this amendment.

section during the past week have retarded cotton gathering terribly, and as The Herald went to press the drizzles that were covering the territory did not give any promise of work in the cotton fields for several days. Less than 1000 bales of cotton had been ginned in the five gins of the region, according to a check-up by The Herald Thursday morning. Total ginnings for the season Thursday morning were 4,632 bales.

Barnie A. Cumbie Jr. of Hamlin was one of two delegates named last Thursday evening to represent the regional chapter at the State Texas Public Employees Association when 107 persons attended the highway chapter meeting at Roby. The gathering was held in Roby High School cafeteria. Women of the Wesleyan Service Guild and the Woman's Society of the Methodist Church served the evening meal.

October ginning here set an all-time record as the Hamlin Farmers Cooperative Gin processed 4,000 bales of cotton during the month, which according to W. W. Fletcher, manager, is the most he has seen ginned in October in his 33 years in the business. This brings the Hamlin gin up to 5,224 bales at noon Tuesday. W. S. Scott at the Farmers Cooperative Gin of Neinda said that they passed the 3,240 mark Tuesday which is more than the total last year. About 50 per cent of the cotton ginned at the Hamlin gin was stripped and the balance hand pulled.

Amendment No. 7. Amending Article III, Section 49-b, of the Texas Constitution, as amended, to provide for an additional \$100 million in bonds or obligations of the State of Texas for the Veterans' Land Fund.

Article XI of the Constitution of the State of Texas by adding a new Section 5 (a) to said Article XI, to authorize cities, towns, and villages to levy such ad valorem taxes as are sufficient to pay the principal of and interest on their general obligations as defined herein hereafter lawfully issued; placing limitations on the amount of such general

obligations; and providing for the submission of said constitutional amendment to a vote.

Amendment No. 9. Amending Article VIII of the Texas Constitution by adding a Section 20 authorizing the legislature to exempt certain water supply corporations and cooperatives from the property tax on certain certain facilities.

READY FOR *New* CARGO

This ship has been emptied of its cargo, and now stands ready to take on fuel and more cargo for further service. If this ship were to remain empty, it would be of no value and would be failing in the one thing that it was built for.

Man was created to be a companion to God, and when he does not join in worship with God, he is failing in the reason for his creation. Make your life mean something for God . . .

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

PUTS STOP TO IVY—David Willis, Pied Piper safety, puts the stop on Randy Ivy in Friday's 38-0 victory for the Pipers. Coming up to help out is Bill Cork (20), defensive halfback. Ivy, one of Haskell's top backs, finished the night with minus six yards in seven carries. (Photo by Tim Jones)

Pipers Shutout Indians Here For Second District Win

The Pied Pipers completely dominated the Haskell Indians here Friday evening in the second district outing for both teams. The Pipers shut out the Indians with a 38-0 victory to bring their district standings to 2-0 and drop the Indians to 1-1.

The Piper offensive machine ground out a quick first quarter touchdown and then bogged down the balance of the first half, only putting three more points on the board before halftime. But the Pipers really cranked it up in the third period, scoring 21 points and then let the second unit take over from there.

But it was the Piper defensive unit that really put the Indians out of the game as they gave up only 12 yards rushing in the first half and only 40 for the night. The Indians put together only one scoring threat during the night. Because of a pass interference call, they had eight tries inside the Piper 10 but still could not score.

The Haskell dual threat of Ivy and Alexander failed to materialize as the Pipers held Alexander to 38 yards and Ivy to a minus six. The Indians had fair success moving the ball through the air out in the middle of the field but even this failed them inside the 20.

For the Pipers it was the running of Johnny Jones and Albert McAfee that doomed the Indians. Jones carried 18 times for 167 yards and one touchdown and McAfee carried 19 times for 139 yards and two touchdowns.

The Pipers took the opening kickoff and drove 53 yards in eight plays to score with 9:21 left in the first period. Jones carried for three, then lost eight before McAfee ripped off 16 yards and a first down. Willie Hooper carried for seven yards and then Jones carried for 11 and a first down at the Indian 25. McAfee and Jones each broke for 11 yards with Jones being knocked out of bounds at the Indian three. McAfee carried in for the score on the next play and Steve McKissack kicked the point after.

Following the kickoff, the Piper defense allowed the Indians only two yards in two plays and then set them back two yards on third down. But a roughing the kicker penalty gave the Indians a first down at their 35. But again the Piper defense held and the Indians were forced to punt.

Hamlin was a bit short of a first down following the punt and kicked back to the Indians from midfield. McKissack's punt went into the endzone and the Indians took over on the 20.

In three plays the Indians were pushed back to the 10 and punted out to the Haskell 41. Again the Pipers failed to make a first down and punted from the Indian 38 with the ball going into the endzone again.

This time the Indians picked up six yards in three plays but were forced to punt.

Taking over on their own 47 the Pipers sent McAfee into the line for 13 yards. Jones for seven and then McAfee picked up another first down on a three-yard carry to the Indian

when he could not get off an intended pass, McAfee added three more and then Hooper passed to George Titus who was all alone in the endzone, but the pass fell incomplete.

On fourth down McAfee picked up a first down at the 19 on a three-yard carry. A 15-yard penalty put the Pipers back to the 33 with a loss of the down tacked on to the penalty. McAfee carried for three and Jones for 10 and on fourth down McKissack kicked a 37 yard field goal to give the Pipers a 10-0 lead with 8:52 left in the first half.

The Haskell Indians launched their only sustained drive of the night following this kickoff. Failing to move on the ground the Indians took to the air to move down to the Hamlin nine. The Indians completed three passes for three first downs in the drive with the first pass good from Pringle to Ivy for 35 yards to the Hamlin 40. The second pass was good for four yards and a first down at the 29. Facing fourth and three, Pringle took to the air again connecting with Colbert for 13 and a first down at the nine. In three downs the Indians were still at the nine and Pringle took to the air again with pass interference being called on the Pipers. This call gave the Indians a first down on the one but in three plays the Indians were back on the nine again. Pringle took to the air once again only to have David Willis pick it off in the end zone and return it deep into Indian territory. But a clipping penalty moved the ball back to the Hamlin 44.

Following an incomplete pass, Jones ripped off 19 yards for a first down at the Indian 37 and after two more incomplete passes Jones again carried the ball, this time for 31 yards and a first down at the six. With time running out in the half, Hooper tried a pass into the endzone only to have Haskell pick it off. The Indians ran one play before the half ended.

Following the second half kickoff the Indians made it into Piper territory as they completed two passes for 40 yards for a first down at the Hamlin 30. But they could only make five yards in four plays and gave up the ball to Hamlin at the 24.

It took McAfee and Jones just seven plays to go the 76 yards to pay dirt with Jones going the final 15 for the score. McAfee had gains of five, eight, and 12 yards and Jones picked up 20, 10, six and 15 in the drive. McKissack added the point after to move the score to 17-0 with 6:35 left in the third period.

Following the kickoff, the Indians picked up a first down

into Piper territory. This time with a first down at the Hamlin 46. But then two passes went incomplete and on third down the Pipers recovered a fumble at their own 46.

Five plays later the Pipers were on the scoreboard again when McAfee ripped off 32 yards for the touchdown. Again it was McAfee and Jones who ripped the Indian defense with big gainers. On his scoring play McAfee broke several would be tackles and then just outraced the Indian secondary to the goal line. McKissack's kick was good and the Pipers led 24-0 with 4:04 left in the third period.

The Indians could manage only two yards in three plays following the kickoff and punted from their own 37. Jones returned it 30 yards but a penalty put the ball back on the 50. Jones and McAfee each carried twice to put the ball on the Indian 25-yard line and at this point Larry Mayes came into his first carry went the 25 yards for the score. McKissack added the point after with 43 seconds left in the third period.

Haskell lost three yards in three plays and punted again with Hamlin taking over on the Indian 43.

The Piper second offensive unit took over at this point and Tracy Rowland ran a quarterback sneak for 11 yards. Mayes was held for one yard, Steve Evans and Ronnie Maberry picked up four and two yards to give the Pipers a fourth and two situation at the 25. Rowland rolled around to his right and picked up the first down and 18 yards to the Indian seven. Mayes skirted his left end for the seven yards and the final score of the night. McKissack kicked the point after again and the Pipers led 38-0 with 9:14 left in the game.

Neither team threatened to score during the rest of the game.

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One is not, we hope, in contempt of court this week.

Dear editor:

A while back, before the country turned up one day missing a Vice President, the judge in the case, concerned about what is called leaks to the press, said such publicity can be damaging to a defendant, adding that "the press frequently is partly inaccurate and sometimes wholly inaccurate."

While in this case I doubt if what the press reported was half as damaging as what the defendant did, I am intrigued by the judge's statement about the press. I do not believe it would stand up in court.

I mean, as nearly any judge will tell you, you've got to be specific with your evidence before it's admissible. To say that the press is sometimes wholly inaccurate takes in too

much territory. Just because the New York Times say was inaccurate in one of its articles doesn't mean The Herald was too. And to be fair, if The Herald makes a bust, surely the judge wouldn't blast the New York Times for it. Those folks up there have got enough troubles of their own without taking on ours.

It seems to me the judge was saying something out of court he'd throw out if said inside his court. Besides, in this case, what the press reported about the Vice President was so accurate he quit.

In other words, when a judge says the press is sometimes wholly inaccurate he ought to be more judicial and say whether he's talking about the New York Times, Time Magazine, Newsweek, or The Herald. Maybe even the Reporter-News.

I would not go so far as to say that sometimes judges are wholly inaccurate, but if they were always right we'd have no need for an appeals court to overturn their decisions or a Supreme Court to overturn the appeals court.

Since there's no place else to turn when you get to the Supreme Court, it's sometimes wise to duck before you get there.

If there are any inaccuracies in this letter, blame it on the Middle East.

Yours faithfully,
J. A.

McKissack added a field goal and all the extra points of last week, the Pipers were number five in the Harris Poll and number six in the Associated Press Schoolboy Poll.

The Piper band is busy getting ready for the Marching Contest at Shotwell Stadium in Abilene Nov. 6. The band is going for their sixth sweepstakes in a row this year.

Everybody make an effort to see the Pipers play the Stamford Bulldogs at Stamford this Friday night, as the Pipers try to keep their perfect record intact on the road to state.

GO PIPERS !! BEAT THE BULLDOGS!!!

Reimbursement of travel or legal expenses for school board members would be permissible if determined necessary in conduct of public schools and to serve a proper public purpose, Hill said in a third opinion sought by Beaumont District Attorney Tom Hanna.

Joe Ford, local service unit chairman for the Salvation Army, has appointed Pat Willoughby chairman for the current fund raising campaign that will begin with a breakfast Tuesday at 7 a.m. at Hamlin Restaurant.

The goal for this year has been set at \$750.

Serving as captains will be James Wright, Mrs. Robert (Joye) Cary, Joe Ford, Mrs. L. C. (Peggye) Bonds, Lynn Mink, Mrs. Kenneth (Jo) Riddle, Larry Butler and Charles Aberthal.

The money raised will be used to help the less fortunate of Hamlin help themselves. This aid is given in food, clothing, shoes, medical aid, utilities, rent or any other aid deemed necessary by the local committee.

State agencies also aided with funds from the drive are home and hospitals for unwed mothers, home for neglected girls, rehabilitation centers for alcoholics, home for the elderly, summer camp for boys and disaster services.

Other members of the local service unit service committee serving with Ford are the Rev. Marshall Stewart, welfare secretary; Mrs. Erma Wallace, Joe A. Hudspeth and Bob Craig.

Although warm weather tends to indicate that winter is still a long way off, it is just a matter of time before the season's first freezing temperatures arrive. Such a killing frost can spell danger for livestock producers that have cattle grazing on sorghum stubble or any of the sorghum-sudan hybrid pastures, says County Extension Agent Kirby Clayton.

The reason is prussic acid poisoning of the animals.

The danger of prussic acid poisoning exists mainly in pastures and fields where sorghum stubble is making regrowth and where there is vigorous, young growth of Johnsongrass, sorghum-sudan hybrids and related plants. Such growth generally has a high content of prussic acid, especially if produced under stress of dry or cool weather.

According to Clayton, the main danger to livestock is grazing such pastures and fields immediately after a killing frost. Frost date for Jones County is predicted for about Nov. 9 or 10.

He advises livestock producers to wait a week to 10 days following a killing frost before allowing cattle to graze

suspect pastures and fields. If only a light frost occurs, remove the cattle until plant growth is killed by a heavy freeze.

Each year numerous animals are lost from prussic acid poisoning. These losses are needless and rob the producer's pocketbook. Giving special attention to grazing management and staying abreast of changing weather conditions can avoid cattle losses to prussic acid poisoning, points out Clayton.

Out of town relatives attending funeral services for Elton Tabb were the following nieces and their families: Mr. and Mrs. Melvin Pollock of Houston, Mr. and Mrs. A. J. De

Luish of Humble, Mrs. Grady (Fannie Mae) Brown and daughter Donna, Mrs. A. L. (Mattie Alma) Cagle and son Toby all of Conroe, Mrs. Bo (Mildred) Gehrels and daughter Sandra of Porter, Mrs. Ray (Normadee) Skaggs of Euless, Mrs. Gwendolyn Mosley of Bryan, Mrs. Jesse (Lois) Wyatt and Mr. and Mrs. Marvin Pearce and daughter Twila, all of Abilene.

Nephews and their families here were Mr. and Mrs. Gerald Tabb and daughters Becki and Cachi of Hawley, Monroe Ericson Tabb, of McCamey and Mr. and Mrs. David Pearce and Gary, of Abilene.

Cousins attending were Mrs. Jim Tabb of Houston and Mrs. Dee Cary of Anson.

RURAL DEVELOPMENT URGED—A Governor's Con- ference on Rural Development

heard calls to join in promoting increased employment and economic expansion in declining small communities. Waco Congressman Bob Poage said it is cheaper to revitalize the rural areas than to prevent deterioration of sagging major cities.

Governor Briscoe said he can't reverse migration to cities, but he wants to offer Texans "a wider range of choices of where they live and work."

Agriculture Commissioner John C. White urged a statewide program to finance family farm agriculture and rural recreation facilities.

NEW INDUSTRY PROSPECTS COUNTED—
Texas Industrial Commission has registered 286 prospects during a campaign to attract out-of-state and foreign industries to the state.

Already 38 have located in Texas. Thirty-eight others have visited the state during the last year, and nine have announced intentions to locate plants in Texas. Prospects included 35 from New York, 31 from California, 26 from Illinois, 16 from Pennsylvania, 11 from Massachusetts, 16 from Japan, five from Canada, four from Germany and one from Denmark.

AG OPINIONS—The open records law requires that cancelled county checks be made public on demand, Atty. Gen John bhill held in a recent opinion requested by Duval County Atty. Ricardo H. Garcia.

In another opinion, Hill held certain records of child care facilities in Welfare Department files are protected by the privacy concept.

NEWS FROM ... Sylvester

by Mrs. R. M. Babb

Well last week looked like it might start raining, but it didn't. The farmers are very, very busy and it seems they are going to make pretty good!

We were sorry to learn that Mrs. McLendon had to have surgery last week in Hamlin hospital. She is doing real well.

Mr. and Mrs. Woodrow Lawlis drove to Irving and Duncanville over the weekend and while there they attended the "capping" of their daughter Glinda. She has been in nurses training for some time.

Little Miss Cami Wright of Abilene visited with her grandparents, the Ross Douglass family.

Mrs. Cindy Baker and family of Lubbock visited over the weekend in the home of her parents, Mr. and Mrs. Jim Beck.

Mrs. Tracy King of Roby and Mr. and Mrs. E. L. Porter of Roscoe visited in the home of Clara Montgomery.

In Abilene last week were the W. B. Browns and Mrs. A. F. Dozier.

The R. M. Babb's visited in Haskell Saturday.

Mrs. Grace Brewer and Mrs.

Nash of Abilene were in Sylvester and Roby on business one day last week.

Mr. Waldo Gatewood's parents celebrated their Golden Wedding Anniversary recently in Abilene where they live. They were pleased to have their new great-granddaughter, Little Miss Beauchamp, who had just come from Germany where her parents have lived for about 18 months. Her parents are Bobbie and Rex Beauchamp. Grandparents are the Waldo Gatewoods.

Bro. Milton Jennings has been able to come home having spent last week in West Texas Medical Center in Abilene.

Mrs. Eddie Dickerson attended the funeral of a cousin in Knox City one day last week.

Mrs. Hugh Hood is in Odessa with her grandchildren while her daughter Pam has added another to her little family. I will have to wait and let you know later the details.

Bro. Neal Sheppard of Lueders filled the pulpit of the Baptist Church on Sunday and I understand he will preach again this next Sunday.

We are happy to have Mr. and

Mrs. Ed Letz and Mrs. Allen Letz were in San Angelo last weekend to attend the Angelo State Homecoming. They attended the downtown parade of bands, floats and duchesses riding in open cars. The Ed Letz's daughter Regina was one of the duchesses participating in the activities.

During the halftime of the football game, Regina was escorted to the center of the field by Harvey Browning where the duchesses were presented with a bouquet of roses and an engraved gift.

Others meeting them there for the activities were Stephanie Letz of Odessa and Reva Letz and Ronnie Kester of Lamesa.

They also visited with the Allen Letz's son Dale, a student at Angelo State.

Mr. and Mrs. O. D. Vanderworth of Morenci, Ariz., were here last week visiting in the home of her parents, Mr. and Mrs. Charlie Letz. They

also visited his father, Oscar Vanderworth, who is presently making his home in Rice Springs Care Home in Haskell.

The Old Glory Variety Club met Tuesday of last week in the home of Mrs. Ed Letz. Eight members and one visitor, Mrs. Tony Letz, were present. The group enjoyed refreshments and games of bridge and dominoes.

The next meeting will be in the home of Mrs. Lisbon Letz on Tuesday Nov. 13.

This community was saddened to learn of the death of one of our pioneer citizens, Emil Wolsch, last week. Mr. Wolsch had lived in this community for many years.

AUSTIN—Some 230,000 aged, blind and disabled receiving state aid are being notified they will get final welfare checks from the State Welfare Department in December.

The federal government assumes responsibility for their assistance January 1, under the new Supplemental Security Income (SSI) program administered by the Social Security Administration.

Food Stamps to Go On Sale At Post Office Today

Food Stamps will go on sale at the Hamlin Post Office today (Thursday) as the program goes into effect in Jones County on Nov. 1, according to Postmaster Bobby Crowley.

The local Postmaster said that the stamps will be on sale Monday through Friday of each week from 10 a.m. until 3 p.m.

Crowley said that three things are needed before the stamps may be purchased: (1) identification card, (2) authority to purchase card (pink) and (3) cash, no checks. He added that the exact change is highly recommended to speed the process of issuing the stamps.

The stamps may be purchased at anytime during the month authorized, but the authority to purchase card expires at the end of each month. However, the stamps, once purchased do not expire and are good at any time.

The stamps are issued in books of \$2, \$3, \$10 and \$30 as indicated on the pink cards. Those desiring to purchase the stamps have the option of buying their full allotment, three-fourths of their allotment, half of the allotment or only one-fourth of the allotment.

Since the stamps may be purchased at any time during the month, Postmaster Crowley

said that he hoped that long lines could be avoided by people coming back at a later time rather than standing in long lines.

Crowley said that those living in other counties may elect to buy their stamps at the Post Office here and redeem them locally, if they so desire. He pointed out that this would be an advantage to those who live in Fisher and Stonewall Counties but are still in the Hamlin area. At one time it was thought that the stamps could be bought and redeemed only in the county issued, but this is not the case now.

The food stamp program is a joint agreement between the U. S. Dept. of Agriculture, the Texas State Welfare Dept. and the United States Postal Service. Those who have any questions about the program are urged to contact the State Welfare Office in Anson.

John D. Ferguson attended the Oct. 15-20 Graham School for Stockman in Garnet, Kans. He was accompanied by Phil Guitart of Abilene and Repps Guitar Jr. of Big Spring. Pregnancy testing, artificial breeding and diseases of cattle were studied.

PICKS UP FIRST DOWN—Tracy Rowland, Piper junior quarterback, rolls around his left end for 18 yards and a first down at the Haskell seven early in the fourth quarter here Friday evening. The play set up the final Piper touchdown as Larry Mayes scored on the next play to give the Pipers a 38-0 district victory. (Photo by Tim Jones)

LETTER TO EDITOR

Dear Editor:

The Officers and Directors of the Board of Community Development would like to express our appreciation to the Hamlin Herald and KDWRadio Station for the publicity, the Merchants for the Bingo Prizes, the Civic Clubs, Church Organizations, School Organizations and Individuals that sponsored booths for the City Carnival. Especially do we want to express our ap-

preciation to the Community for your attendance. This was truly a Community effort for a project we feel is needed and will be an asset to our town.

Booths at the Carnival were sponsored by the following: Board of Community Development, Jaycee-ettes, Girl Scouts, Beta Theta Sorority, Xi Gamma Pi Sorority, Eastern Star, Young Homemakers Club, F.H.A. Girls, F.F.A. Boys, Boy Scouts, Homemakers Class First Baptist Church, Holy Trinity Ladies Guild Catholic Church, Pied Piper Booster Club and Clarice Server and Peyton Wyrick Hair Styles.

Pledges to the Child Care Center came from the Rotary Club, Lions Club, Business and Professional Club and Garden Club.

Donations in the form of prizes to the Carnival came from the following: Winn's, Hamlin Herald, White's Auto, Harbert Furniture, Charlene's Cut and Curl, Cloud Carpets, Witt Jewelry, Waggoner Drug, Bill Sauls Gulf Station, Harold Wells Humble Station, Hamlin Restaurant, Blue Bonnet Cafe, Wheat Barber Shop, Imperial Barber Shop, Pied Piper Grocery, Reed's Grocery and Station and Kiser Texaco Station.

Also Heidenheimer's, Reynolds Drug, Frank's TV, Frank's Department Store, Hamlin Flower Shop, Joe Hudspeth Tire and Appliances, Piggly Wiggly Grocery, Thrift-Tee Food Market, Syle Cleaners, O. H. Weaver Texaco Station and Jordan's Dairy Cream.

And Carlton Implement, Lady Bug Flower and Apparel, Merle Norman Cosmetics, Paul Cooper Texaco Inc., Arrow Service and Supply, Pied Piper Mills, McCoy Funeral Home, City Foods, Rockwell Bros. Lumber Co., Louberta Maxwell, Mary Esco and L. C. Bond.

The Governor designated the Railroad Commission to re-direct fuel oil and other middle distillates to hardship users under the Federal Mandatory Middle Distillate Allocation Program.

Texas Aeronautics Commission approved \$297,300 in airport grants for Atlanta, Bishop, Berger, Breckenridge, Caddo Mills, Childress, Eden, Lamesa, Rockport, Teague and Van Horn.

Other schools in the district are Paint Creek, Aspermont and McCaulley.

All first place teams in district will represent the Double Mountain FFA District in the Area II FFA Leadership Contests Saturday, Nov. 10 in Big Spring.

4-H Horse Club Started

A Horse Club was organized at the Oct. 15 meeting of Jones County 4-H Club with Mr. and Mrs. John Deatherage as the adult leaders.

Officers elected include Ginger Goza, president; Mitch Terrell, vice president; Mandy Meek, secretary-treasurer, all

of Anson; and Joan Patty, reporter, of Lueders.

The next meeting will be Monday at 7:30 p.m. in the Federal Housing Building behind the First National Bank in Anson.

Max Hagler, DVM, of Anson will present the program.

Everyone interested in horses and the 4-H program is urged to attend.

Services Set Here Today for George Cox

George W. Cox, 91, a retired farmer and resident of Hamlin for 20 years, died at 1:30 p.m. Monday in Hamlin Memorial Hospital after a long illness.

Services will be held today (Thursday) at 10 a.m. at McCoy Chapel of Memories with Dale King and the Rev. Walter Hickman, pastor of Calvary Baptist Church, officiating.

Graveside rites will be held at 2 p.m. in Red Springs Cemetery near Seymour under the direction of McCoy Funeral Home.

Born Apr. 29, 1882, in Arkansas, he was the son of the late Mr. and Mrs. Charlie King Cox.

He married Emma Gertrude McIntire Apr. 29, 1901, in West. She died in 1952.

Survivors include two sons, Charles of Clairemont and Floyd of Anson; three daughters, Mrs. Walter (Effie) Branch of Hamlin, Mrs. Melvin (Gertrude) Branch of Buffalo, Mo., and Mrs. Dan (Flora) McLemore of Stamford; one brother, Tom Cox of West; 27 grandchildren; 74 great-grandchildren and 10 great-great-grandchildren.

Grandsons will be pallbearers.

The Parks and Wildlife Commission scheduled a public hearing November 8.

Former Area Resident, R. T. Cypert, Dies

R. T. Cypert, 92, a former Hamlin resident, died at 3:30 a.m. Tuesday at his home in Throckmorton.

Funeral services were held at 10:30 a.m. Wednesday in First Methodist Church in Throckmorton. Charles Henderson, Church of Christ minister of Colorado City, officiated.

Burial was in Throckmorton Cemetery under the direction of Merriman Funeral Home.

Born in Comanche County, May 7, 1881, he married Edith Flowers Apr. 14, 1907, at Wolfe City. They moved to Hamlin area in 1909 and lived here until 1969 when they moved to Throckmorton. He is a retired farmer and member of Church of Christ.

Survivors include his wife of Throckmorton; one son, Walter Cypert of Throckmorton; one brother, Henry Cypert of Christoval; and two grandsons.

A new Texas Business Review article (UT Bureau of Business

Research) warns abundant, low-cost energy may no longer be available and conservation will be required.

A small group of University of Texas students launched a George Bush-for-governor campaign.
